Pizza has always been a favorite food of the college student. For your consideration, here are five of the best destinations in the UW-Milwaukee area for your pizza pleasure.

## **Pizza Shuttle** **1827 N Farwell Ave.**

The duke of all East Side pizza places. Pizza Shuttle has been around seemingly forever, from its days as a delightfully sketchy late-night punk-rock hangout, to its new vibrant personality with flat-screen televisions and a cleaned-up image. The menu is more expansive than one might expect, with selections that range from subs to wings to soup, and, of course, pizza. Their new \$.99-per-slice deal is one of the best offers in the universe and runs from 10 a.m. to 4 p.m. Mondays and Tuesdays.
